VENN DIAGRAM

Photomontage

By: Hannah Williams

Items:

- High contrast
- Female laying down with trees and bricks layer
- Multiple Exposure brick wall and parking lot
- Birds eye view
- No distinguished form/shape
- Shapes throughout
- Looking straight ahead no angle
- Layering
- Very close to object
- Far away from object
- Low depth of field
- High depth of field
- Repetition of what is layered on top
- Pattern of bricks
- Repetition on half of picture with bricks
- Lots of movement throughout
- Not a lot of movement throughout
- Distinguished unity
- Emphasis on nature AND humans
- Only one winner nature or humans
- Humans won
- Happy state
- Sad state
- Hard to see girl with trees
- Hard to get the theme through
- choices with nature or humans
- Outcome with layering comes out good
- Emphasis on humans only
